Beaver Creek, CO Map

Beaver Creek Mountain Resort encompasses Beaver Creek Village, Bachelor Gulch Village, and Arrowhead Village, all interconnected by lifts and trails for a European-style Village-to-village recreation experience. At the base of Beaver Creek Mountain lies Beaver Creek Village, where elegant lodges, shops, restaurants, and galleries surround a year-round outdoor skating rink. It is also home to the award-winning Vilar Performing Arts Center, which boasts world-class musical and theatrical performances throughout the year. At Bachelor Gulch Village, with its warm timbre and stone architecture reminiscent of the grand lodges of our national parks, a network of trails leads hikers to scenic meadows and forests. They also lead back to beaver creek and Arrowhead. Arrowhead Village, the western gateway to Beaver Creek Mountain, features an exclusive community of elegant condominiums, estate homes and beautiful lodges centered around a luxurious country club and private golf course.
