SMART STYLE
FREESTYLE TERRAIN

This Orange Oval symbol designates Freestyle Terrain such as parks and pipes. Smart Style represents Freestyle Terrain safety. Know it, Respect it, Use it!

Make a plan.
Every time you use freestyle terrain, make a plan for each feature you want to use. Your speed, approach and take off will directly affect your maneuver and landing.

Look before you leap.
Scope around the jumps first, not over them. Know landings are clear, and clear yourself out of the landing area.

Easy style it.
Start small and work your way up. (Inverted aeriels not recommended).

Respect gets respect.
From the lifeline through the park.
