

Brannan Island State Recreation Area

17645 Hwy. 160 • Rio Vista, CA 94571 • (916) 777-6671

The Sacramento-San Joaquin Delta, a thousand miles of rivers, sloughs, levees and marshes, has become one of the world's outstanding water recreation areas. At its gateway, Brannan Island State Recreation Area offers year-round camping, picnicking, boating, fishing and swimming.

Natural resources, plants and animal life are the principal attractions of most state parks. They are integral parts of the ecosystem and the natural community. As such they are protected by federal and state laws and by park regulations. Disturbance or destruction of these resources is strictly forbidden.

Firearms, air rifles and hunting are not allowed in the park.

Dead and down wood are part of the natural environment. Decayed vegetation forms humus and assists the growth of trees and other plants. For this reason the gathering of down wood is prohibited. (When considered a hazard, down wood is removed by park personnel.) Firewood is sold in the park for your convenience.

Fires are permitted only in facilities provided for this purpose. This is necessary to prevent disastrous wildfires. Portable stoves may be used in designated areas. It is the responsibility of every visitor to use extreme caution with any burning materials, including tobacco. All fireworks are prohibited.

Dogs and other domestic animals are not permitted to run at large in state parks. They must be under control and on a leash no longer than six feet at all times. Dogs (except for service dogs) are prohibited on all trails and beaches except in designated areas. Pets must be kept inside tents or vehicles during nighttime hours.

Loud noises are prohibited at all times, especially between 10:00 p.m. and 6:00 a.m. Engine-driven electric generators, which can disturb others, may be operated only between the hours of 10:00 a.m. and 8:00 p.m.

All vehicle travel must be confined to designated roads or areas. The speed limit for all vehicles in the park is 15 mph unless otherwise posted. All vehicles and all drivers must be licensed. Parking is permitted only in designated areas.

Campsite use must be paid for in advance. To hold a campsite you must reserve and occupy it. To prevent encroachment on others, the limits of each campsite may be regulated by park staff. Checkout time is noon.

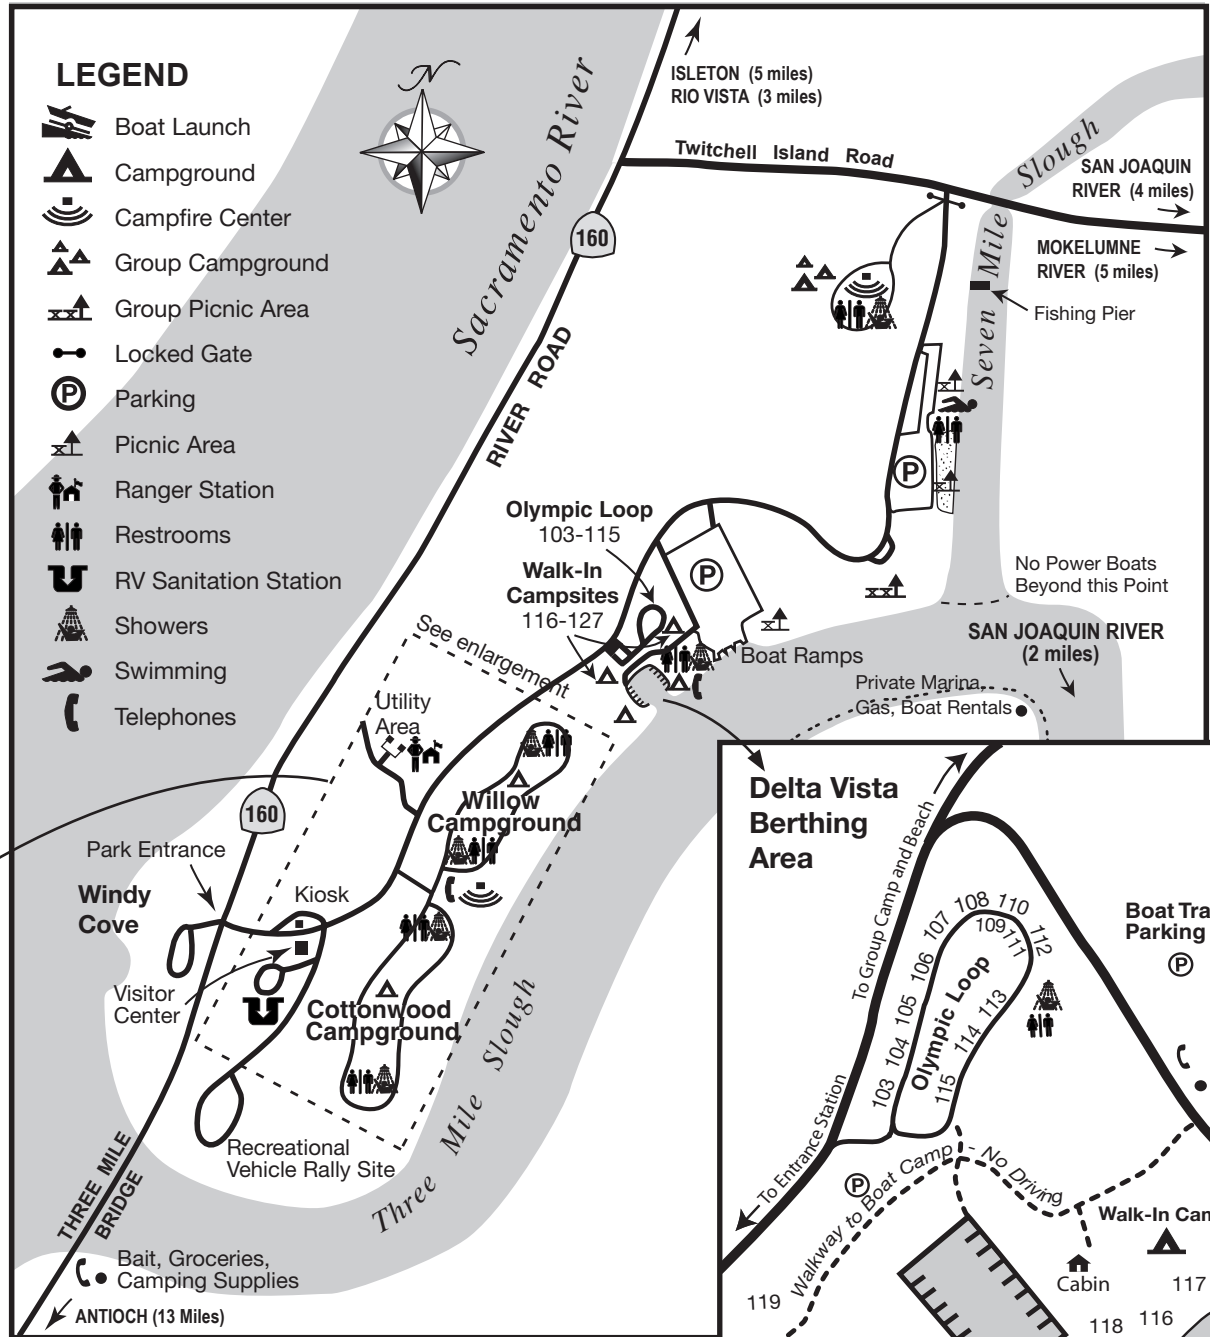

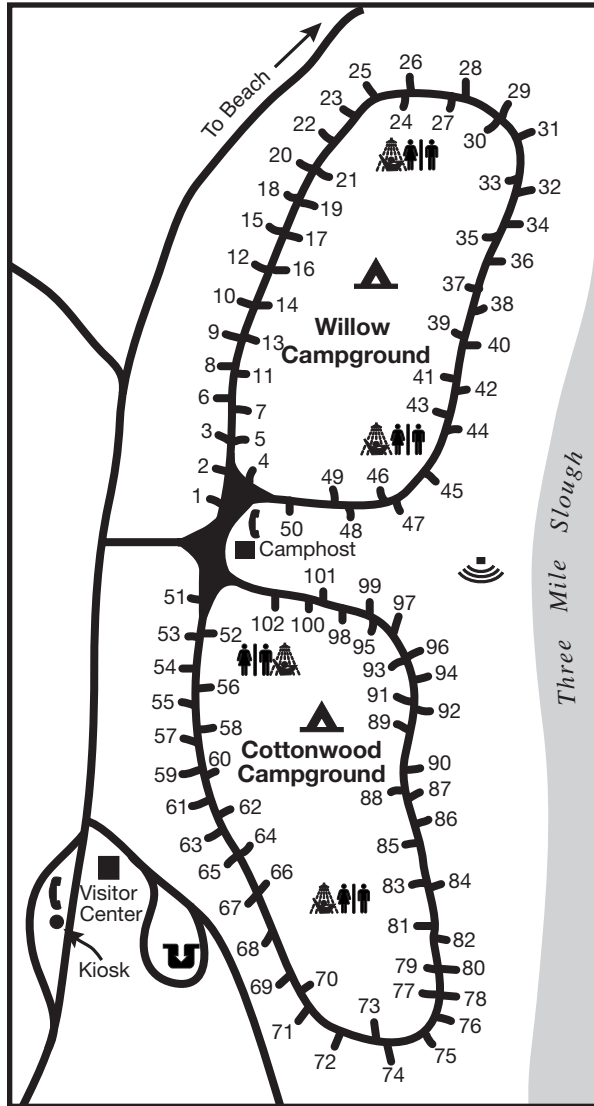

In order to accommodate the greatest number of visitors possible, your stay cannot exceed 15 consecutive days at a campsite and 30 days overall in state parks within one year.

Refuse, including garbage, cigarettes, paper, boxes, bottles, ashes and other rubbish, must be placed in designated receptacles. Please clean up after yourself so that others may enjoy the beauty of this park.
