

While at First Landing

Located in northern Virginia Beach, First Landing is the site of the first landing of the Virginia Company on April 26, 1607. It is within minutes of a host of recreational, cultural and historical offerings. Be sure to check our Baystore for needed supplies and souvenirs of your trip to First Landing. While in the First Landing Chesapeake Bay Center or Trail Center, ask about other state parks in the area including Kiptopeke State Park on the Eastern Shore, False Cape State Park near Sandbridge, York River State Park near Williamsburg and Chippokes State Park near Surry.
