

Hammocks Beach State Park

Emergency Procedures

In case of emergency, contact staff in the visitor center. If the visitor center is closed and you are unable to locate a park ranger, use the public pay phone on the back deck of the visitor center. Follow the emergency procedures posted near the phone to contact park staff or other emergency personnel.

A phone with emergency procedures is also located at the beach bathhouse on Bear Island.

The nearest hospital is Onslow Memorial Hospital in Jacksonville. From the mainland parking area, proceed out of the park and turn left onto Hammocks Beach Road. Follow Hammocks Beach Road until it ends. At the stop sign, turn left onto Route 24. Follow Route 24 into Jacksonville. In Jacksonville, turn right onto Western Boulevard. Onslow Memorial Hospital is on the left side of the road.
