// LIFT TICKET PROGRAMS AND POLICIES

LIFT TICKET LOCATIONS

Lift tickets may be purchased at the ticket windows in the Okemo Clock Tower base area, ticket windows in the Jackson Gore base area, Sugar House Lodge, Solitude Lodge, Ski + Ride School Desk in Okemo and Jackson Gore base areas and Mountain Services Center. Next-day lift tickets are available from 3:00 pm to closing daily.

Next-day lift tickets can be purchased at the Okemo Lodging & Welcome Center and the Jackson Gore Inn from 3:30 pm–10:30 pm daily.

TRY BEFORE YOU BUY – FIRST HOUR FREE

Every morning the first hour (60 minutes) of lift operation is FREE so Okemo skiers and riders can check out the snow conditions before they purchase a lift ticket. Try Before You Buy – First Hour Free is only valid from 8 am until 9 am on weekends and holidays and from 9 am until 10 am weekdays during non-holiday periods. Convenient on-mountain ticketing locations can be found at the Sugar House Lodge, Solitude Lodge, Okemo Clock Tower base area and at the Jackson Gore base area."

Please note: Multi-day lift tickets or pre-purchased tickets do not qualify for this option. After the first hour, it will be unlawful to access Okemo's lifts without a valid lift ticket or season pass under Vermont's Theft of Services Laws 13, V.S.A. 2581 & 2582. Skiing or riding without a lift ticket or pass, or with a fraudulent lift ticket or pass will result in prosecution. Lift tickets are non-refundable and no vouchers will be issued or extended for weather or lift-related situations.

LIFT TICKET POLICIES

• Okemo is not responsible for lost or stolen lift tickets.

• Okemo may void a lift ticket for inappropriate conduct by the holder to include, but not limited to: skiing/riding out of control, excessive speed, and ignoring posted signs and trail closings.

• Lift tickets are non-refundable.

• Lift tickets are not for resale and are non-transferable under Vermont Theft of Services Laws 13, V.S.A. 2581 & 2582.

• Skiing or riding without a lift ticket, or with a fraudulent lift ticket, will result in prosecution.

// ON-MOUNTAIN SAFETY

SKI PATROL & FIRST AID

Strategically positioned in seven locations around the mountain, Ski Patrol and First Aid services are never far away. If you are in need of assistance, you can proceed to the nearest Patrol House, or stop by any lift and the attendant will be happy to contact the patrol. Call via cellular phone at (802) 228-1496 daily from 8 am to 4 pm.

PARK SAFETY

All of Okemo's parks & pipes are open to both skiers and snowboarders. Trail ratings do not apply and are not rated as to their degree of difficulty. Riders should familiarize themselves with the terrain and be aware that features may change due to grooming, weather and usage. Make sure landing areas are clear before using features. Never jump blindly—use a spotter when necessary. Use of features can be dangerous—you assume all risks of injury. Inverted aerial somersaulting maneuvers are strictly prohibited.

TRAIL SYSTEM – ABILITY LEVELS

Skiers and riders should be advised that a ● Easier, ■ More Difficult, ◆ Most Difficult or ◆◆◆ Most Difficult (use extreme caution) trail at Okemo is not necessarily the same as a similarly rated trail at another ski area. The system is a relative system that is valid only at Okemo. Skiers and riders should work their way up, beginning with the easiest trails no matter what their ability level may be, until they are familiar with the trails at Okemo.

SKI & SNOWBOARD SAFETY – USE COURTESY & COMMON SENSE

Skiing and snowboarding are sports that challenge the human spirit and require you to remain alert and use your common sense. Ski and snowboard in control, with caution and consideration for others. Be aware of changing conditions. Natural and man-made obstacles exist within the ski area, and are inherent risks in skiing and snowboarding. Snowmobiles and other snow grooming equipment may be present on the mountain at any time. Respect closed trails and area boundary signs. These areas are closed for your protection. Be advised that while marking devices, warning devices and equipment covers are used to inform you of potential hazards, they do not guarantee your safety and will not protect you from injury. SLOW SKIING areas have been designated for beginner and congested areas. Slow down and go with the flow in these areas. We reserve the right to revoke your ticket for reckless or out-of-control skiing and snowboarding, or failure to observe rules and regulations.

In addition to Your Responsibility Code, the following tips can help reduce your risk and make for a more enjoyable experience:

• Ski and ride only in areas compatible with your ability.

• Do not take friends down slopes that are beyond their abilities.

• After falling on the slopes or lift ramp, move away quickly to avoid becoming an obstacle to others.

• When resting on a trail, move to one side to avoid blocking others.

• CAUTION—snowcats, snowmobiles and snowmaking may be encountered at any time.

• SLOW ZONES. Certain areas (highlighted on the map) are designated as SLOW ZONES. Please observe the posted slow zone areas by maintaining a speed no faster than the general flow of traffic. Fast and aggressive skiing and riding will not be tolerated.

• Look ahead and to either side of you and be prepared to stop at any time.

• Ski or ride with a buddy, especially in places where you could need help, such as in trees or deep powder.

• Ski and ride defensively. Expect the unexpected.

KIDS' SAFETY TIPS

• Make sure your child has your name and phone number of your hotel/condo and/or your cell phone written down on a piece of paper in a zipped pocket.

• Show your child what a ski patroller looks like and tell them to find one of them if they get lost.

• It is a good idea to decide which lift you will ski next so if you get separated you can meet there first.

• For a backup plan, choose a place to meet in case you are separated from each other; for example, at the mid-mountain Sugar House Lodge.

OKEMO'S HELMET POLICY

Okemo recommends helmets as a consideration for skiing and boarding participants and parents. We encourage parents and others to educate themselves about the benefits and limitations of helmets. Okemo supports individual and parental rights to choose to wear a helmet or not. And Okemo promotes responsible skiing and snowboarding behavior as the key to long term slope safety. Follow Your Responsibility Code. Helmets can be rented from our Okemo Rental Shops or purchased at our Snowsports Center locations throughout the mountain. For more information on helmets, visit the NSAA website lidsonkids.org

Keep an eye out for our Mountain Safety Team wearing the bright red jackets. They will be skiing around all day to ensure everyone has a safe day and a great time. Please also watch for the Slow Skiing banners that indicate all traffic must travel in a slow and controlled manner.

Okemo Mountain Resort is proud to partner with these fine companies:

// YOUR RESPONSIBILITY CODE

- Always stay in control and be able to stop or avoid other people or objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- You must not stop where you obstruct a trail or are not visible from above.
- Whenever starting downhill or merging into a trail, look uphill and yield to others.
- Always use devices to help prevent runaway equipment.
- Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
- Prior to using any lift, you must have the knowledge and ability to load, ride, and unload safely.
- When snowshoeing be sure to stay on the side of the trail at all times and avoid snowshoeing alone.

KNOW THE CODE. IT'S YOUR RESPONSIBILITY.
 This is a partial list. Be safety conscious. Officially endorsed by the National Ski Areas Association.
