**Skiers & Snowboarders Responsibility Code** *KNOW THE CODE... YOU'RE RESPONSIBLE!*

1. Always stay in control and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride, & unload safely.

**Smart Style** **FREESTYLE TERRAIN**

**LOOK BEFORE YOU LEAP:** Scope around the jumps first, not over them. Know landings are clear, and clear yourself out of the landing area.

**EASY STYLE IT:** Start small and work your way up. *Inverted aerials not recommended.*

**RESPECT GETS RESPECT:** From the lifeline through the park.

The Paoli Peaks Ski Patrol is part of the National Ski Patrol system. It is a group of highly dedicated men and women who are skilled in the art of helping injured skiers and snowboarders and keeping a safe and controlled skiing environment.

*Ski Patrol/First Aid is located on the lower level of the lodge.*
