### QUEEN MARY'S GARDENS

Queen Mary's Gardens is a combination of the original Marnock and Burton design for the Royal Botanic Society. Roses are not the only treasure of the Gardens. The Delphinium border has full National Collection status. The Mediterranean Borders are well established, and the Begonia Garden is twice yearly planted with seasonal bedding. Shrubberies are strategically designed and located to add a sense of mystery and privacy to the Gardens. Further details are shown on dedicated Queen Mary's Gardens maps surrounding the Gardens.
