This map is intended to provide a general overview of hiking and biking opportunities in Little Cottonwood Canyon. The area depicted is rugged alpine terrain with many natural hazards and rapidly changing weather conditions. Know your route well, stay on designated trails, and use proper equipment and caution. Hikers/bikers assume all risks in using these trails. Snowbird assumes no responsibility for the accuracy of the information given on this map in terms of time and actual distance traveled, condition of the trails or for the safety of users. More detailed trail information may be obtained from the U.S. Forest Service or at the Snowbird Activity Center.
