## Beautiful Vacation

We're making 192 a beautiful place to stop and play.

The Beautiful Vacation Redevelopment Project along U.S. Highway 192, the main tourist corridor through Kissimmee-St. Cloud, is making it easier to navigate, whether by car or on foot.

The "Beautiful Vacation" project is nearly complete, transforming the main tourist corridor into a colorful thoroughfare, making it even easier to locate lodging, shops, attractions and restaurants.

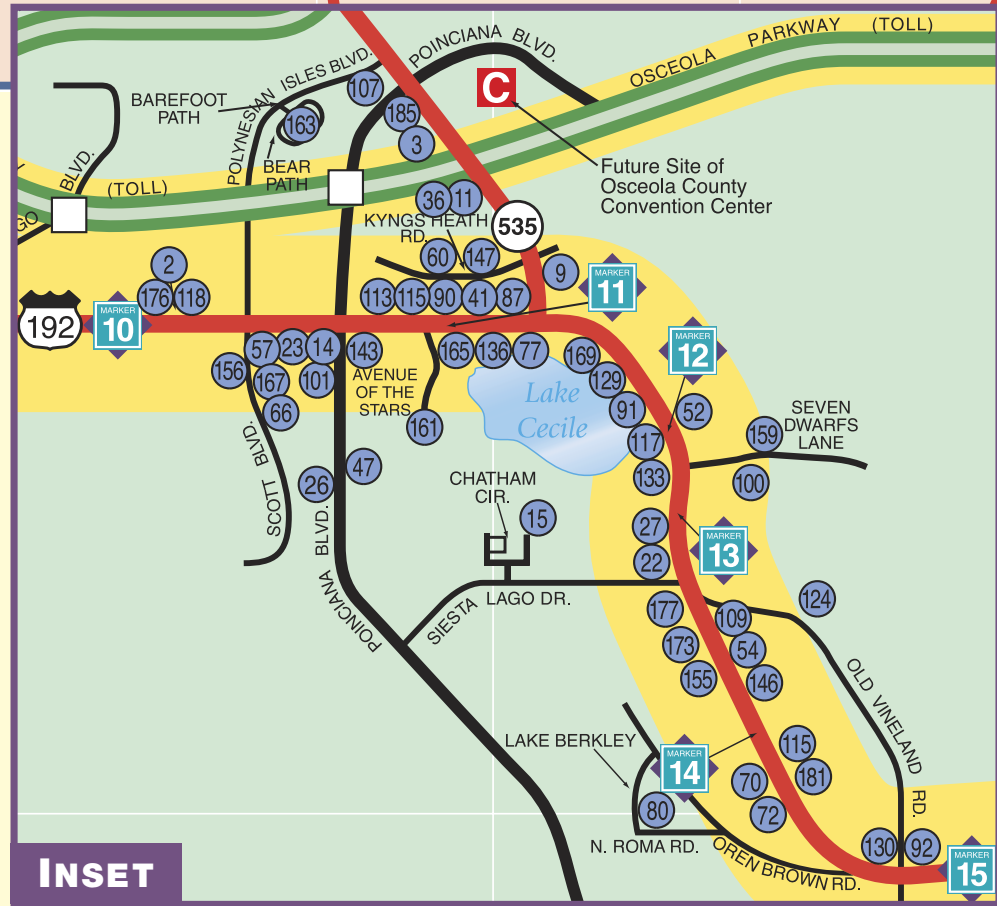

A colorful addition to the 12-mile stretch of U.S. Highway 192 are navigational guidemarkers. The numbered, 25-foot-tall markers, topped by artwork representing key area features, help travelers pinpoint where they are and where they want to go. In addition, businesses use the markers to provide directions that can help travelers locate their favorite points of interest.

### KISSIMMEE-ST. CLOUD FLORIDA

Some other notable additions include:

- Transit stops color-coordinated to match guidemarkers, many renovated to contain a clock, message board, seating, water fountain and bike rack
- 10-foot wide, lighted sidewalks
- Bright, easy to read directional signage
- Pedestrian plazas with benches, kiosks and bike racks
- Colorful Florida landscaping

**It's all just one more way we surround you with excitement!**

### ACCOMMODATIONS

Listings are alphabetical. The number corresponds to the number on the map; and the grid location helps quickly identify the general area where the property is located.
